Patio Covers

Dacraft™ Patio Covers add instant value to any home!
Custom-Made, Factory-Direct and Maintenance-Free!

3" FLAT PANEL

A sleek-looking cover with durability and functionality, our 3" Flat Panel is the latest design offered in the industry today. Custom manufactured to any size, your new cover will meet your EXACT specifications ~ GUARANTEED!

W-PANEL

At last...a patio cover you can KEEP CLEAN! A Dacraft™ exclusive, our ACCESSIBLE W-Pan Patio Cover utilizes PATENTED end-caps, eliminating nesting birds and accumulating debris and allowing EASY CLEANING.

INSULATED

Make your enclosure cooler in the summer and warmer in the winter! Our Insulated Cover eliminates condensation, offers considerable sound-proofing, and is strong enough to walk on. Another Dacraft™ EXCLUSIVE!

RADIUSED

Perfect for solving low-clearance issues above doors, Dacraft's™ True-Arch Radiused Cover has a smooth, attractive ceiling, an EASY-TO-CLEAN gutter system, and offers more privacy than similar units. AND it's great-looking!
